Bluetooth Printer

AutoTest Bluetooth Products

The AutoTest Bluetooth Printer is a compact, portable thermal printer designed to produce instant hard-copy test results in the workshop or in the field. Compatible with a range of AutoTest Bluetooth products, it provides a convenient and reliable way to print records, supporting compliance, reporting and efficient record management.

Why Choose The AutoTest Bluetooth Printer

- Provides instant hard-copy test results for compliance and record keeping
- Wireless Bluetooth connectivity for convenient operation
- Compatible with select AutoTest Bluetooth products
- Compact, lightweight and portable design
- Rechargeable battery for workshop and field use
- Fast thermal printing with no ink or ribbons required
- Easy paper loading for quick and efficient operation
- Backed by local support and service

Learn More About The AutoTest Bluetooth Printer

Print Results in 3 Easy Steps

1. **Connect Printer**
   Pair the Bluetooth Printer with your compatible AutoTest device.
2. **Print Results**
   Send the completed test results to the printer.
3. **Receive Your Report**
   Instantly print a hard-copy test report for compliance, record keeping or customer documentation.

Warranty: 12 months

Note: Outer appearance and specifications are subject to change without prior notice
